- » 12:40 Mapei Cadel Evans Great Ocean Road Race - Women

Sunday 1 February (Geelong, Bellarine & Surf Coast)

- » 11:10 Mapei Cadel Evans Great Ocean Road Race - Men

The Mapei Cadel Evans Great Ocean Road Race is an initiative of the Victorian Government, created by Visit Victoria, and a pillar of Australia's major events calendar.

ELITE RACES TRAFFIC AND TRANSPORT INFORMATION

- » In 2026, the Mapei Cadel Evans Great Ocean Road Race - Women and Men will race in clockwise direction, from the traditional start/finish line on the Geelong Waterfront.
- » Victoria Police will facilitate a rolling road closure for these races, which reduces the impact of the event. Vehicles will not be able to travel on or cross the route while the rolling road closure passes through. Delays of 15–20 minutes are expected.
- » All towns will remain open and accessible including Barwon Heads, Ocean Grove, Torquay and Moriac, with the exception of when the race passes through for 15–20 minutes.
- » The course roads must be free of traffic as the race approaches. Therefore, vehicle access on the busier course roads on the Geelong Circuit will be restricted to local access only, with the exception of when the race comes through. All other traffic will be directed to use alternate routes or side roads.
- » The rolling road closure will be supported by some fixed road closures to assist in keeping the course roads free of traffic when the race is coming through. All major intersections remain open, except when the race passes by.
- » Latrobe Terrace (Princes Hwy) in Geelong and the Geelong Ring Road will remain open at all times during the weekend to ensure north/south traffic movements through the City of Greater Geelong are maintained.

Continued on back page ►

- » Pedestrian access will be maintained at all times during the event via existing footpaths. Where roads are closed for short periods, access across roads will be via marshalled course crossing points.
- » It is advised to allow extra travel time during the weekend in case you experience short delays whilst travelling near the course.
- » If you are travelling along a course road as a rolling road closure comes through, you will be stopped by the lead police vehicle and asked to park in a safe area on the side of the road.
- » Once the race has passed the rear police car will inform you that it is safe for you to move off.
- » **There will be restricted parking on any road which the course travels along. To assist, please ensure you park your car either on a driveway if available or on a side street off the course.**

TAC PEOPLE'S RIDE TRAFFIC AND TRANSPORT INFORMATION

- » This is not a race and cyclists will be adhering to normal road rules. There will be minor changed traffic conditions in some areas, such as traffic diversions, lane closures, reduced speed limits and intersection management.
- » Due to the large number of cyclists on the roads during this event, please take extra care when driving and allow extra travel time.

PUBLIC TRANSPORT

- » There will be changes to public transport services on Wednesday, Thursday, Saturday and Sunday and customers are advised to check the PTV website for further updates:
<https://www.ptv.vic.gov.au/news-and-events/events/>

EMERGENCY ACCESS

Emergency access will be maintained at all times. In an emergency please call 000.

VOLUNTEER

Want to be part of the action? SIGN UP AND VOLUNTEER TODAY!

With plenty of course and field of play marshal positions available across the five days, there's bound to be an exciting role not too far from you. For more info head to:
